EVERYDAY
Generosity

“Submission”

1. Reread Philippians 2:5-8 and 1 Peter 2:21-25. What has Jesus Christ done for us? Why should this be considered submissive? Generous?
2. How do we as 21st century Christians continue to be submissive to God's will as a community? Individuals? Is it working?
3. What situation are you or someone you know in where they are suffering for their faith? How do you choose whether to leave or stay?
