

# THE GREAT CORRECTION

LESSONS FROM THE BOOK OF NUMBERS AND THE WILDERNESS WANDERINGS

## Hungry for More Numbers 11

*This is a story of meat versus manna, wanting more as opposed to being satisfied with what you have, craving over against contentment.*

### What's wrong with yielding to strong cravings for more?

- The craving and complaining (11:4-10)
- God's response (11:10, 18-20, 11:31-35)

*A rejection of God's gracious provision*

### What's right with contentment?

*Contentment is being satisfied that what I have from and in God is enough (Philippians 4:11-13)*

### Keys to Contentment

- God defines success differently (1 Timothy 6:6)
- Eternal perspective (1 Timothy 6:7)
- Enough *is* enough (1 Timothy 6:8)
- Pay attention to the trap (1 Timothy 6:9-10)
- Know that God is with you (Numbers 11:20)
- Believe that God will provide (Numbers 11:20)
