**“One of a Kind”
Mark 1:1-13**

1. Share some ideas about what makes something great? Ali the boxer once said, “I am the greatest!”, Wayne Gretzky was called “The great one”, what does greatness mean when applied to them?
2. John was a “great man of God”. People came to hear him preach and they responded to his hard message. Who are some of the “great men and women of God” today?
3. Why do we have a tendency to elevate the status of men and women and call them “great”? Why is that dangerous?
4. Rehearse why it is that Jesus is so much greater. Look at how he is the “Son of God” and “Suffering Servant of God”. What do those titles mean?
5. Humility is the only appropriate response to the greatness of Jesus. What does it mean to choose humility as a response to Jesus’ greatness? What might that look like?
