“Pandemic”

Romans 5:12-21

1. What evidence is there that a spiritual pandemic exists in our world?
2. Romans 5:12-21 teaches that Adam caused this spiritual pandemic. The core problem that we all have is “sin”. Take a look at Genesis 3:1-7ff and try to define “sin” using this passage.
3. Looking at Romans 5:12-21 what are the results of Adam’s sin?
4. What does it mean to have a sin nature? How is that different than acts of sin?
5. Understanding the problem is half of the story but still very important. Assuming it is true that we all share in this spiritual pandemic, how does that impact your view of yourself and others?
6. The key to Romans 5:12-21 is understanding that what Jesus has done for us is greater than what Adam did to us. Read Romans 5:15-21 and share what it is that Jesus has done for us.
7. Jesus is the cure to the spiritual pandemic. What does that mean for your life?
