

HOW BIG IS OUR GOD?

“Big Enough to Worship” 1 Kings 18

The Confrontation

The Speech

“How long will you “limp” between two opinions? If the Lord (Yahweh) is God, follow him; but if Baal is God, follow him.”

“But the people said nothing” (18:21)

A “not so small” Demonstration

- Yahweh answers but Baal doesn’t even pay attention

- I have chosen Baal when
 - I believe in my own ability to manipulate God into action

 - When the experience or the blessing is what I am really seeking

- I have chosen Yahweh when I worship God on the basis of his character and covenant
