1 Peter 4:10-11

*The key to moving past just talking about spiritual gifts to using my spiritual gifts is a unique perspective on life. I have to think and act like a house manager.*

Good house managers . . .

- Know that the gifts are the master’s \_\_\_\_\_ and not their own
  
- Realize that the master is going to \_\_\_\_\_

- Are \_\_\_\_\_ for the return of the master
  
- Expect \_\_\_\_\_ when the master returns
  
- \_\_\_\_\_ like the master
  
- \_\_\_\_\_ the master
